Charles and Mark

For the 4th Qtr. of 2004, the following reports were not included in your quarterly data submittal

UPDES

UTG040006-002: no report for October and November.

UTG040006-003: no report for October and November.

UTG040006-006: no report for October.

UTG040006-007: no report for October and November.

You need to submit the missing UPDES data to the database, even if the report is simply that there was no discharge.

Thanks,

JIM
